Diane,

They plan to provide the memo by next Wednesday, 22 Dec. Here are the minutes they provided me today from last week's call.

Now that we have the schedule it should be easier to hold them to timelines.

By the way, USACE apparently doesn't like emails from EPA. Our entire team is reporting emails taking several hours to get to us. I just got this at 12:30 CST and see that you sent it early this morning.

Thank you,

Justin Shoemaker

Thanks There is not necessarily a delay on the memo since they never told us when we would receive it. That is my point. I ask when can they provide me a draft for review, they say that they need to talk amongst themselves and we never hear about it again until they send us the product.

Diane,
Here's the schedule they sent late Friday. I'll get in touch with Thomas and see what's with the delay on the memo.

Thank you,
Justin Shoemaker
